TWO KILLED AT COBOURG

Car Containing Five Young Men Struck by Passing Train

A most distressing auto accident occurred about 11 o'clock last night at Cobourg resulting in the death of two young men and three others being more or less injured. There were five in the car all the parties being residents of Port Hope. The car was being driven over a railway crossing when it was struck by a passing train. The car was demolished and the occupants hurled in all directions. The result of the impact was that Robert Sculthorpe and Wm. Dawson were killed and Edgar Rowson, brother of Miss Rowson, who is connected with the Intelligencer office was seriously injured, suffering a broken leg and face and head cut. The other two young men whose names were not ascertained were injured to some extent. Robt. Sculthorpe, one of the unfortunate victims was a graduate of the Ontario Business College in this city and has relatives in this city and vicinity.
